The City of Washington, Georgia will be receiving separate sealed Bids for all material, labor and equipment for the “Aonia & Skull Shoals WTP Improvements”. This includes **the demolition of existing equipment and structures at both plants, the construction of a new clearwell, flocculation channel, a chemical feed building and upgrades to the raw water pump stations** with all related accessories as shown on the plans and called for in the Contract Documents and Technical Specifications. Bids shall be on a lump sum basis with specific unit price items.

The Project shall achieve **Substantial Completion** within **360** days, and **Final Completion** within **420** days from the date of Notice to Proceed of the contract.

Bidding Contractors may attend a **Pre-Bid Site Inspection** at the existing Plant for the purpose of performing field measurements, surveying, and geotechnical investigations. Cameras are permitted during the inspections. Bidding Contractors will be allowed onsite from (from 8:00 A.M. to 5:00 P.M., weekdays) to perform site inspections.

The City of Washington will receive bids until **2:00 p.m.** on **January 28, 2010, at 102 East Liberty Street, Washington, Georgia 30673**. Bids received after this time will not be accepted. Bids will be opened and publicly read aloud. All interested parties are invited to attend.

Contract Documents may be examined at the following locations:
